SECRET CRUSHES

Dear reader, seems like there were many ladies that caught your fancy in our last issue [Swank 251]. After the wanking stopped, we got several mails expounding their sexiness. So here's one more look so you don't have to open those sticky pages again.

: Brett Rossi has always been in my top three adult stars. I love
: her California girl looks with that tight beach body and long
: blonde hair. While I haven't seen all of videos (I don't think),
: I've seen enough to love her always happy attitude, and her
: willingness to please both her male and female partners. For
: the longest time, I thjought that she did not do anal, but then,
: I finally found some and it was a huge turn on for me. I love
: the fact that such a beautiful girl was willing to have her ass
: fucked. They are some pretty good scenes. Today, after a doz-
: en years in the business, she's called a MILF. While that's
: okay, I call her timeless.

— Steve T., Hawthorne, CA

I love big boobs, and I cannot lie!
If it wasn't for magazines like
your's, I probably would go stir
crazy thinking about big boobs.
Being in land-locked Colorado,
I can't go to the ocean and ogle
girls in bikini's, nor do I have
the money to go to Europe and
those topless beaches. And strip
clubs are out of the question (I'm
married). So, your magazines are
doing me a great service. I love
the variety of women in the is-
sue, and especially Gianna. Her
boobs are perfect, and seeing her
roll around in the bath with those
sexy soap bubbles caressing her
skin, wow! Great photography,
great stuff. So I hope you keep up
the good work, and bring us more
busty babes like her. If not, then
you know that I'll probably go
stir crazy.

— Brandon T., Boulder, CO.

Wishful Thinking

Sometimes it takes a several years to make up your mind. Kendra was dancing at clubs and making good money. But the movie biz was too enticing, and so in her mid-thirties she started a whole new career, and we are glad she did. She has become the immoral MILF we love and adore.

Wishful Thinking

Kendra Lust

Us: Kendra's quite the elusive one. For more than three months we've been texting and playing phone tag. But today, yes today, we finally meet.

Kendra: I hardly recognized you. You've cut all your wonderful hair off!

Us: Yeah, Summer's on us and I get way to hot with all that hair. Speaking of way too hot... nice to finally get together. It's been two years, so there's a lot to catch up on.

Kendra: Okay, ready. Let's do it!

Us: What types of movies do you prefer making? Features or gonzo.

Kendra: (smiles) Features, of course. I love getting a chance to

act. The only problem is so much waiting around time. But when I'm into it, the rest doesn't matter.

Us: When it comes to performers you work with, who are you favorites?

Kendra: I'm very picky when it comes to guys, and girls for that matter. I rarely try out new guys. I like to guarantee a good performance, and it takes two, or three, to tango. I want to be a great performer so if I've not attracted to that person, the scene will not be good. And nobody wants that. I want to give my best every time.

Us: You've been in the business for a while now. Has it gotten old?

Kendra: As you know, I got a bit

Wishful Thinking

Kendra Lust

of a late start, but I don't mind. As a matter of fact, I've done more scenes now than ever before. Now that MILFs and step mom's are hot genres, I keep quite busy.

Us: I hear you love giving blow jobs. It's one of your favorite sex acts. No?

Kendra: I love blow-jobs. People underestimate their artistic value so I try to look good giving head. But I can't let that slide. I love eating pussy just as much.

Us: How would you describe your personal sexual style off set?

Kendra: I tend to be quite boring and lazy at home. I love kicking back, and I don't want to do any of the work since I have to get into all sorts of crazy positions on set. I just want to lie on my back or I'm my stomach and get eaten out or fucked when I'm at home.

Us: Even though your performing career hasn't slowed down, have you thought about directing movies instead of performing?

Kendra: Yes, it would be cool to direct. I've been trying to pay attention to what the director is doing instead of going off to another room and waiting for my next scene.

Us: Has there been a particular scene for movie that this

made a significant difference in your career?

Kendra: I don't know if there has been just one. I've been fortunate to have been in several great projects. I have had a great time working with Tanya and we've become good friends. She's great to work with and I just love her little British accent.

Us: And a scene with the guys?

Kendra: Well, that's a tough one. I think my first double penetration sticks in my mind. I had to gear up my head to do it. I had heard that it's very hard on a girl and I had a couple more scenes to do so I didn't want to be worn out. But the reality was that the guys were great and took it a little easy

on me, at least at the start. After that it was all out.

Us: OK, well you know I have to ask this... How important have your boobs been to your career?

Kendra: I love my boobs. You love my boobs (*flashes me*). They're great fun. My nipples are very sensitive and I love having them played with or sucked on while I'm fucking. Strangely, I think girls like to play with them more than the guys. Guys seem to put their focus on pussy or getting blown, so boobs sometimes don't receive their due.

Us: Wow! Thank you for showing me the proof!

LET ME SHOW YOU HOW BAD I AM!

THE CLITORIS

What every man – and woman – should know about the key to female ecstasy

Located at the top of the vaginal lips and just inside, is something which resembles a little bald-headed man snugly nested in a crescent-shaped boat. It contains a complicated set of nerve ends which closely correspond to those in the head (glans) of the penis. In essence, a woman's clitoris is a miniature dick.

But we're not going to bore you here with any clinical observations concerning the structure or physiological action of the clitoris (Masters & Johnson and Shere Hite can fill you in), but one pertinent fact: clitoral stimulation, direct or Indirect, is necessary to have an orgasm, even though the orgasm itself is felt throughout a comparatively large area. (Just as men need stimulation on the head of the penis to orgasm, but feel the orgasm itself inside their bodies.)

The pampering of a female's clitoris is as unique in every case as the female's fingerprints. Direct stimulation with the finger, tongue, or penis is effective for some; for others too much friction deadens and desensitizes. (If a guy will get down closely and watch while his partner masturbates, he will quickly learn exactly how and where her clitoris is best turned on.)

Of course, we know that no type of clitoral contact or stimulation can compete with a vibrator. No man's hand, tongue, or cock could possibly please the "little man in the boat" with such buzzing vibrations. But no guy wants to play second fiddle to a dildo, so he should take it upon himself to get down there and really look into things. It will doubtlessly help though to find out what females themselves feel is the best way to care for and feed their own personal "little man."

The following three women offer an excellent clitoral cross-section. Over two decades separate them in age and experience, and each has reported having varying degrees of orgasm difficulty in the past.

Staci is 23 and a college graduate. Until age 20 she had only been able to achieve an occasional orgasm through prolonged masturbation; fucking had always left her "high, dry, and frustrated," as she says. Then an affair with an older dude finally brought her to what she terms her "sexual salvation."

As Staci says, "Until I was 20 the only way I could come was through masturbation. And even then it would take me hours. Those prolonged finger-fucking sessions left my pussy so sore it even pained me to pee. And those frustrating and exhausting weekends! My boyfriend would figuratively fuck my brains out in his efforts to get

me to come. But I simply couldn't. In fact, all that frantic fucking amounted to was a pain in the pussy and mutual feelings of inferiority.

"I was almost convinced I was some kind of semi-frigid freak. But I was dying to come! I got so horny even kissing my boyfriend that my panties would get soaking wet. We were engaged to be married, but I could tell he had doubts—and I couldn't blame him. His cock was a nice size, and he gave it everything he had trying to get me to come. The fucking would feel vaguely good for a few minutes... and then it merely burned. When he got too tired to fuck he would suck me. But then even his probing tongue would make me wince with pain. He greased up his dick with Vaseline one time and slipped it up my ass. That felt kind of good and it made me so horny... but I couldn't come. And then I met this older guy...

"John was far from good-looking or even young. He was an accountant I met when he came to the office where I worked to do the books; he asked me out to lunch. For some reason I went. He was well-mannered, soft-spoken, and very gentle. I liked him right off.

"We had a drink before lunch and I sort of opened up to him and told him my troubles. He listened attentively, and then quietly and confidently told me he was certain he could solve my problem. I trusted him. I told him I was in love and engaged, but that I would go along with anything he proposed if it might help my sexual future and take the terrible strain off my poor fiancé. So he gave me his address and told me to come over that night.

"So I did. And because of his mature, almost fatherly gentleness, I felt no fear or shame. We chatted for a while and had a glass of wine. Then he led me to the bedroom and very tenderly and unhurriedly undressed me. He looked me over when I was nude, and told me I was beautiful and made for sex; then he quickly undressed and we got in bed. And no sooner were we there than he began a prolonged and ardent session of tit-sucking, navel-tickling, thigh-nibbling foreplay that made me so hot I was panting and trembling all over.

"Then he placed a pillow under my ass, lifted my thighs up over his shoulders, and I caught my breath with the exquisite sensation of his tongue in my asshole wiggling it around. He kept licking me like that for a spell, and then suddenly he moved up to my dripping cunt and began tonguing the lips ever so lightly, occasionally touching my clit with just the tip of his tongue. It was wild! No harsh tongue-lashing friction, just that incredible gentleness.

"John, that feels so good,' I moaned. 'But I think I'm ready for you to fuck me.' He ignored my plea and kept on teasing my cunt lips and occasionally my clit with his tongue-tip, touching everything with a feathery lightness that was gradually causing a tension to build throughout my entire pussy area. Then he suddenly began tonguing what he obviously discovered was the most sensitive side of my clit. And in less than a minute I was writhing,

squirming, and moaning in the most ecstatic orgasm I had ever had. It was unbelievable!

"The spasms made my asshole flutter and my cunt kept quivering. 'Oh John, John, I'm coming so hard my cunt's having convulsions!'

"A short time later he fucked me, slowly, rhythmically, no plunging frictions and hot pain. All pure pleasure. He held his lovely cock lightly so that its knobby head glided over that sensitive side of my clit. And within heavenly minutes I came again in another of those outrageous orgasms. And I gasped and groaned as I shed tears of joy that finally I had been shown that sucking and fucking could get me off without the slightest bit of pain. John came too then and his hot liquid warmed the walls of a cunt that was cascading with satisfaction."

Mandy, 38, is a successful writer of fiction and a former tennis player. She had felt "certain strange sex urges around other women since she was 18." Married at 24, she claims she loved her husband (and still does); Mandy achieved orgasms only when she simultaneously masturbated during sex. Now, at 34, she explored her bisexual nature with a young neighbor, a relationship she has enjoyed for the past five years.

"Sex with my husband was never really bad. But in order to come I always had to use my finger while Bob was banging me. Bob would not (and still won't) eat my pussy; it's just not his thing. But I'm totally devoted to

him and we get along beautifully.

"The trouble with Bob during sex is that his dick only pushes partially against my clit; I like and need strong continuous contact. Thinking maybe it was Bob's fault, I fucked another guy once, and then I learned that a cock simply can't press my clitoris hard enough. But when the guy went down on me I came quickly and hard.

I had always felt sort of sexually excited around certain women, but I had always figured those feelings were only affection. And then, at the ripe old age of 34, I learned, from a loving and understanding neighbor that I was bisexual, and that my favorite form of sex is definitely oral.

"Her name is 'Sally' and when we began our thing she had just turned 21. Her somewhat older husband's business kept him out of town for days at a time. So Sally was lonely and obviously terribly in need of some female to talk to. So we began having coffee together almost every day.

"Then one hot afternoon, we both got a little high on wine coolers and Sally confessed to me that she was bisexual. I wasn't too certain then just exactly what that meant. So she told me in detail, telling me that she loved going down on me head and getting her pussy licked from women. And at the end of her story, she blurted that she would love to do it with me.

"I didn't know what to say. I was flattered that someone so young would find me desirable. So I pretended that I thought she was merely teasing me. 'I'm not kidding you, Mandy,' she told me. 'I really would like to do it with you; I've wanted to for a long time. Have you ever gotten you pussy licked by a guy?' I told her I had and that I'd liked it.

"That got her instantly excited. 'Let me do you that to you, Mandy,' she pleaded. I pretended to be interested but hesitant. So she said, 'You don't have to do me, Mandy. I'll do all the work. You just lie back and enjoy it. So I gulped down the rest of my wine cooler, got up from the table, looked down at Sally and agreed.

"Her body was beautiful; flawless. She looked so young and tender. But then she told me she thought I was really pretty and that she wanted to have sex with me so badly her insides were hurting. She led me to her bedroom, told me quietly to lie down. Then she began sucking my nipples, licking my lower stomach, chewing gently on the inside of my thighs. Finally she began to lightly lick the outer lips of my pussy. I loved it and I told her so. 'Please lick harder, Sally,' I whispered. 'Run your tongue hard over my clit.' She did, lovingly and strongly, and in seconds I was so excited and thrilled that I knew I wanted to suck hers too. 'Turn around and get on top of me,' I told her. 'I want to do you too, Sally.'

"She actually moaned with pleasure as she obeyed me, and a moment later my face was up between the cheeks of her round young ass and my tongue was getting its first salt-tang taste of a cunt that I fell in love

with. Lord, it was delicious! Tender, juicy, and meaty as hot buttered lobster and with that same sweet seafood scent. Sally wiggled her ass and moaned wetly into my own cunt; I knew I was pleasing her as much as she was me.

"She was simultaneously sucking and licking my clit as if she were trying to draw it right out of my cunt. My asshole was snapping like crazy and my clitoris was throbbing with pleasure sensations all over. I copied her method, munching and licking; I kept gulping and swallowing.

"And then I came so hard that at first it hurt! My cunt and asshole felt as if they had melted together, and my felt as if it were being tickled with 10,000 feathers. It was the best orgasm of my life and right at its pulsating peak Sally began bleating into my cunt like a lost sheep. I felt her juicy petals palpitate against my tongue.

"I was in love! I was in love with Sally's adorable cunt and she was in love with mine, and from now on we would consummate that love whenever we could. And believe me, we have. With no shame or regrets."

Felicia is 19, and the winner of two beauty contests. At 18 she fell in love with a pro football player, and they were soon married. Because of their short engagement, they had not had sex together before they got married.

"LeShawn has a really beautiful build. Broad-shouldered, small-waisted, big strong legs. But when we undressed on our wedding night and I had my first look at his dick... well, I nearly passed out. Honestly, that thing

almost looked like a baseball bat. I knew I couldn't even begin to take half of it in my tight pussy. I'm not bragging about being small up there; I'm complaining. You see, I have a problem.

"A doctor examined me when I was younger, after I had hurt myself falling off a bike. She told me my pussy was extremely small. Not only that, her exam revealed that my whole pussy was supersensitive. And I remember her telling me that I would probably have an active and pleasurable sex life later on.

"How wrong she was. My girlfriends were all masturbating and having crazy orgasms, but my clit was too damn tender to stand more than a light jab or two of my finger. I tried a vibrator, but I couldn't stand that sensation for even a second. So I resigned myself to the thought I was never going to have orgasms.

"I began exercising like crazy, eating right, running, and all that. And the feelings of wanting sex were somewhat relieved. The exercise improved my figure so much that I entered a beauty contest and won it; and then I won another one. That's when LeShawn asked me out, and after a few days' engagement we were married.

And that's when the suffering began. We made the lube company rich the first two months, trying to loosen me up enough to get at least some of LeShawn's cock to slip between my tiny pussy. But it was no use. I couldn't have taken a cock even half that size.

"Poor LeShawn would lie beside me at night and jerk himself off. I tried to suck him off, but my mouth could hardly get past the head of his dick. He really needed a way to relieve the pressure.

"Anyway, one day I read online that ass-fucking can get a girl off. Some women can come through anal sex because the dude's cock sends sensations through the surrounding tissues and indirectly stimulates the clit. That interested me; it gave me a flicker of hope. So I got myself a decent-size dildo, put some lube on it, and slowly eased that bitch up my ass. To my surprise I finally found the way. It felt so good.

"I told LeShawn about it and he was so excited that I was afraid that dick would fly out of his pants. Neither of us bothered to undress; I was prepared. I was wearing a skirt, no panties, and the lube was warmed and ready. I dipped the head of his dick in the jar and swished it around. Then I laid over the edge of the sofa, spread my ass-cheeks and said, 'Bring it home, LeShawn. Go ahead and put that stick in me! But take it slow, baby.'

"He laughed and I heard the excitement in his voice. He then pressed against me and I felt that stiff meat of his press gently against my puckered but eager asshole. And then he began to ease it in. And when I felt only slight pain and a sort of thrilling, balloon-like pressure through my pussy, I relaxed completely all over and hoarsely whispered to him to give me all he had.

"In a matter of minutes I could feel his balls press-

ing the lower cleft of my cunt. He was buried to the hilt back there. 'LeShawn, honey. Fuck me now!'

"And fuck me he did. Short, slow strokes for a spell, then longer lunges, then within maybe two minutes he began to pound that rod into me like a battering ram! The pressure was intense—as if my asshole and pussy were exploding! LeShawn was grunting like a pig and his balls were slapping my ass like a pair of ping-pong

paddles. I heard him suddenly snort, then gasp, and as his cum squirted into me like an enema my own orgasm came on.

"Oh, LeShawn!' I cried. 'I love it! I love It! Oh, baby! We're finally making it happen! Please don't stop!'

"I'll never ever forget that first fantastic orgasm. LeShawn and I have enjoyed many since then, but that first orgasm paved the way for a dynamite sex life. LeShawn's is a happy man now; he feels he has something really special in me. I only hope this story will help others who are too sensitive upfront to enjoy ordinary fucking. I've looked up a lot about anal sex, and to make a long story short, the reason some women (like me) enjoy it is that the pussy opening and the ass opening are close enough together that the sensations go straight through to the clit

"My orgasms are still orgasms, but now they come indirectly from stimulation of my butt. Whatever, LeShawn and I are both completely satisfied."
